

Chocolate Peanut Butter Date Balls

Ingredients

- 1 cup pitted dates
- 1 cup rolled oats
- 1/2 cup chocolate chips
- 1/2 cup creamy peanut butter
- 1/2 tablespoon vanilla extract
- 2 tablespoons almond milk
- Pinch of salt

Directions

- Mix together all ingredients in a food processor.
- Scrape down the sides and mix until smooth.
- Refrigerate for 15-20 minutes (or longer).
- Roll into bite sized balls and store in a sealed container for up to a week, but they will surely be eaten before then :)

Tips

My dates occasionally dry out in the pantry. I heat them in a bowl of water for about one minute on 50% power in the microwave and then drain the water before adding them to the recipe.
